Submittal Acknowledgement

The submittal of this application does not constitute approval of the proposed plan. Written notification of the Design Review Committee's decision will be supplied to the Lot owner within 30 business days after receipt of all required information.

Construction must not begin until the Committee has approved the plans in writing. As the Lot owner, I have read and understand WhiteHorse Estates Design Guidelines, and applicable Governing Documents.

As Lot owner, I acknowledge that the persons reviewing the plans and specifications will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of these guidelines, may vary accordingly.

In addition, I acknowledge that it may not always be possible to identify objectionable features of construction until completed, in which case it may be unreasonable to require changes to the improvements involved.

However, the Committee may refuse to approve similar proposals in the future. Approval of application shall not constitute an approval, ratification or endorsement of the quality or architectural or engineering soundness of the proposed improvements and the Committee shall have no liability for any defects in the plans, specification or improvements. I agree to pay any costs incurred by the Association if I fail to meet the standards established by the Committee.
